Professional Experience and Curriculum Vitae

Ryan was born in the suburbs of New York in 1989. He lived in a variety of places with his kooky family. From 2007 to 2012 he attended to the University of the Arts for Illustration. Today he is often seen in his studio, with his nose in his sketchbook, awaiting the signal to create another piece of fantastical design and fun.

Previous Clientele

APPLEHEAD FACTORY, EASTERN STATE PENITENTIARY, GALLERY ONE.
