Professional Experience and Curriculum Vitae

Graphic design is my passion, and I feel so lucky to be doing what I love! I specialize in print design and love exploring with different projects and materials. I have experience in publication design, illustration, corporate materials, promotional pieces, invitations, artist booklets, wayfinding maps, and museum titling, and I am always excited to expand my horizons. I'm great at coming up with creative solutions and love tackling a good design challenge. My mottos are concept first and keep it simple! I also try to stay active in the community and enjoy getting involved for a good cause.
