Professional Experience and Curriculum Vitae

Sue Todd is a graduate of the Ontario College of Art and Design in Toronto, Canada and has been a professional illustrator for 17 years. She has extensive experience in the educational publishing sector and has also created art for many magazines, books, some packaging, posters, t-shirts and a TV commercial. Her clients are located in Canada, the United States and UK.

Sue's technique is linocut, colourized in Photoshop. It is a similar process to woodcut but the medium is softer and faster to work with. Sue enjoys the variety that comes from combining ancient and modern technologies. She began her career as a designer and turned her passion for printmaking into a career. Sue is now exploring new possibilities with paint.
