Professional Experience and Curriculum Vitae

I have shown in various places some including: Chelsea, NY; Manhattan, Sacramento; Chicago, Beaumont, TX; Ewing, NJ; Winston-Salem, NC; Lenox, MA; Providence, RI; Jacksonville, and Norfolk, VA to Jekyll Island, GA. She placed with a Prize of Excellence, Award of Distinction at Art Addiction's 2007 Medial Biennial and will exhibit in the Biennale Chianciano 2009. My art has appeared in several international juried publications and has a cover painting of the hardcover 2003 edition of New Art International. Allegrone's solo exhibition, Environments, was in Norfolk, VA from April 12-May 24th 2008. In Atlanta, 2011 I was the solo artist in the Forum Gallery at Defoor Center which was a part of a larger show, "Spring Rites."

In June, 2012 I was part of the Art Takes Times Square Billboard Exhibition. Andrea is continually asked to show abroad for exhibitions as well as nationally but considers the price of showing vs selling and exposure online.
