Professional Experience and Curriculum Vitae

Peadar studied art/drawing at University College Dublin with Aiden Gaffney.

Peadar studies Japanese Art History at Trinity College Dublin.

The "Tis" was born on Merrion Square in Dublin , Ireland. Twiggy was the inspiration, our Siamese kitten now cat.

The 'Tis pictures are usually drawn on the sea cliff path on Howth Head.

The "Tis" got its name when people asked "Is it a cat? , a mouse?, a bunny?, a rat?. One lady said "Oh look my chiwawas"! and a Chinaman thought they were foxes. Each time I answered, "Yes 'TIS", so they became known as 'TIS'

Come along to Merrion Square, Dublin, Ireland any Sunday from 10:00am till 6:00pm , meet the artist and browse or buy my TisArt pictures
