Professional Experience and Curriculum Vitae

Hey there, my name is John and I am a graphic designer and marketing specialist in a London-based removals company. I am a motivated and highly open-minded person, who always strives for the new challenges.

Here's something more about my company, because that's the interesting part. As said, right now I work for a London moving company called Removals Tooting. We are a new team of specialists who seek to provide the very best of services in the London Borough of Wandsworth and its adjacent areas - Tooting, Putney, Ballham and the rest. We specialize in removals and man and van in Tooting.

What areas do we cover?

By now, you got the idea that we serve the area of Tooting in the London Borough of Wandsworth. To date, our company has served over a thousand customers across the Borough. Additionally, we've arranged a move for small businesses and households everywhere across London. Upon request, we can provide you with an expert move anywhere within London and the surrounding towns.

What services do we offer?

We specialize in removals - both commercial and residential and man and van. Of course, our roster of services is not limited to just those two. We offer after builders and small renovation rubbish removal and cleaning, end of tenancy cleaning and of course - packing and storage. And that's just the surface of all we have for you. Just visit our official website to get an idea how great we are.

It's all just a click away. Start a chat with our trained customer care agents, book through our online booking form or simply call us to get in touch with our awesome movers and schedule your man and van and removals in Tooting, today!

YOUR
CHANGE OF ADDRESS
CHECKLIST

Utilities and Services

First thing you have to do when you get to your new property is to meter readings. You don't want to be charged for the previous owners' utilities.

☐ Water

☐ Electricity Supplier

☐ Gas Supplier

☐ Telephone

☐ Cable and Satellite

Finances and Employment

Your employer is able to change your address on your behalf for relevant departments. Double checking and contacting them to check this has been done is always a good idea!

☐ Bank

☐ Credit or Debit Cards

☐ Employer

☐ Pension

☐ Inland Revenue

☐ Social Security

☐ Solicitor

☐ Insurance Policies

Health Establishments

If you're moving far like in a different country, you will have to find new health services. Informing your current establishment of your new address will point you in the right direction. They will even be able to help you with finding good experts in your new area.

☐ Doctor

☐ Dentist

☐ Optician

☐ Pediatrician

Vehicle Related

If you're moving away with your vehicle make sure all the proper registrations, taxes and legal work are in order.

☐ DVLA

☐ Vehicle Insurance

☐ Breakdown Recovery
