Professional Experience and Curriculum Vitae

Hello!

I'm Ruben Tresserras, a freelance retoucher based in Barcelona.

With a wide background and education in photography, I offer creative retouching services for both photographers and agencies, including CGI and photographic capture, either on location or online, assisting in the pre-production and the capture when necessary and working hand in hand with the client during the post-production, to provide custom-made solutions able to satisfy every need and budget.

If you have a question, quote request, commentary or critique, feel free to get in touch. I'll be happy to help.
