Get Acquainted With The Most User Friendly Set Of Features

The application to [transfer Outlook contacts information](#) has been designed with user friendly set of algorithms and offers users with a range of highly precise set of attributes. Working with the tool becomes even more eased when a range of ease offering features have been offered to let users know [how to transfer contact information from Outlook](#) with accuracy.

- ❏ **Export PST Contacts To VCF File:** The application to transfer Outlook contacts information is built with such capabilities that it can easily carry out the processing of PST contacts from Outlook address book to vCard file format. This way user can get the accessibility of their Outlook contacts over a wide range of clients, platforms and even devices as vCard is versatile enough to run on many.
- ❏ **Transfer Contacts From PST To CSV:** Users can export Outlook contacts information from PST address book to CSV format file. CSV is a Comma Separated Value file which is similar to a Microsoft Excel spreadsheet file that offers users to manage their contacts in a list format.
- ❏ **Successful PST To WAB Conversion:** You can accurately and intactly convert Outlook contact information from PST contacts list to WAB i.e. Windows Address Book format which lets you access the address book on a Windows platform and is also supported by Outlook Express mail client for contact storage.
- ❏ **Import Contacts To Lotus Notes From Outlook:** With the help of our extensively operable vCard Export application, users can transfer Outlook contacts information into vCard 2010 format of file. This way you get the opportunity of exporting their 2010 version of VCF file into Lotus Notes address book successfully with the contact information retained completely.

Transfer Outlook Contacts Information With Convenience:

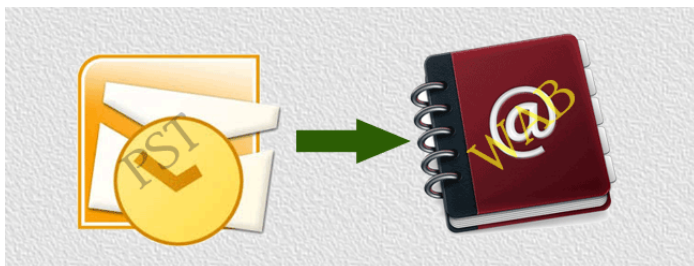

The **vCard Export** application is capable of transferring a number of PST format contacts into four different formats of file to offer a wider accessibility to the contacts restricted to Microsoft Outlook client. You can [move Outlook contacts information](#) for free with the trial version but within a limited manner i.e. 15 contacts can be converted from Outlook address book to any of the offered file format (<http://www.vcardexport.com/transfer-outlook-contacts-information.html>)

In order to transfer Outlook contacts information without any bounds, you are required to get the licensed version of our widely appreciated Outlook contact converter software which is available at an absolutely pocket friendly price.

Outlook Contacts to vCard
