Professional Experience and Curriculum Vitae

WZ DESIGN works to promote and market clients through all manner of collateral including identity, logos, ads, brochures, annual reports, newsletters, posters, capability pieces, direct mail, and web design. Typical involvement with clients includes creative conception, art direction, campaign development, and project management.

The challenge to create a visually interesting aesthetic is something we welcome. Leading the process of art research, shaping typography, selecting color palettes, inventing graphic elements, and designing layout systems are problems we thoroughly enjoy. We also manage the overall process, ensuring timelines are maintained, quality standards are met, as well as overseeing the small details such as accurate delivery of services. For additional services such as copy writing, photography, or illustration we have a reliable group of talented individuals that we can tap into for high-quality, successful collaborations.

The MD Class of 2014 with members of the Brown Medical Alumni Association (BMAA) Board of Directors. The white coats presented to first-year medical students are provided courtesy of the BMAA to welcome them to the medical profession and to the Brown medical community. See to meet: Philip May '82 MD'86, Preetha Basaviah '81 MD'85, Michelle Gussenberg '97 MD'95, Colin Henderson MD'93, Dean Edward J. Wing, Monique Anawalt '85 MD'90, Daniel DiPrete '85 MD'89, Peter Pantone '79 MD'82, and David Brooks MD'76.

Let's Work Together

Fifty-five percent of the Brown Medical Annual Fund is dedicated to providing scholarships to deserving students, while the remainder supports the medical curriculum. Consider becoming a member of the Brown Medical Society with a gift of \$1,000 or more. Alumni, parents, friends — our medical students are counting on you. Your gift will help us reach our goal of \$850,000 by June 30. Give online at www.gifts.brown.edu.

"Part of the BMAA's mission is to form enduring, supportive relationships with Brown medical students. The BMAA strives to increase participation in giving to the Brown Medical Annual Fund, because 100 percent of the Fund supports current medical students. Gifts to the BMAA are a direct investment in medical education for future Brown physicians."

— Peter Pantone '79 MD'82
Chair of the Brown Medical Annual Fund
