### **Professional Experience and Curriculum Vitae**

Xzibit Pools and Spas have been established for over 10 years and we design and construct concrete swimming pools, spas and water features in the Sydney region. They also provide a renovation service of your old tired pool.

Professionally licensed and members of the Master Builders Association of New South Wales Xzibit Pools and Spas offer superior craftsmanship and Core Values of the company.

By utilising the characteristics of your property and using carefully chosen design elements Xzibit Pools and Spas endeavour to create a custom tailored swimming pool or spa that reflects your personality and complements your lifestyle.
