Professional Experience and Curriculum Vitae

Since his childhood, Yukio Kevin Iraha has been very creative. His art is not easily understood, but they tell some kind of stories. Stories may be references from history, folk tales or allegories. Yukio Kevin's favorite medium has been acrylic, but he has incorporated ideas to collage antique pieces of papers to give aged look to his work. Yukio Kevin Iraha has shown his art throughout United States and now with internet has become widely accepted form of communications, he regularly updates and shows more experimental work on his official site: www.yukiokeviniraha.com.
