Professional Experience and Curriculum Vitae

I am a freelance illustrator, specialising in hand drawn illustrations.

Over the years I have worked on various projects such as concept drawing and character visualisation for a Manticore production SF board game Waste World, I illustrated children's books for several different publishers, produced concept art for several digital games and illustrated interiors of various shops and cafes.

I am a regular illustrator for Blue World Institute for Marine Research, Museum of Kaštela and one of the leading digital agencies in Croatia – Studio Revolucija.

I specialise in children's books illustrations, comic books, SF and Fantasy illustration, board game and digital game concept art.
