## Professional Experience and Curriculum Vitae

I am a Professional Graphic Designer who is enthusiastic and passionate about the work I do for people, other businesses, and myself. My work involves Problem Solving, that uses Visual elements, Strategic Planning, and Today's Technology to build a dynamic presentation. With over a decade of experience in the fast-paced Print & Design Industry where I developed my methods, and a Bachelors of Science Degree in both Visual Communication and Art Direction; I have all of the necessary skills and vision to give all my clients Complete and Total Client Satisfaction. I give 110% effort towards designing Enduring Brands, Advertising Solutions, and Marketing in a fresh and innovative way that will make you and your products successful in today's competitive market.
