Professional Experience and Curriculum Vitae

I do logo, business cards, brochure, photo cards, invitation, prints, doodle, pattern, texture & other graphic designs work.

I love doing & making things in abstract , organics, texture, unknown, doodles, pattern, imperfection, colorful & grunge.

I love typography & handwritten style too.

I adore organics too. If I have a time = doodles x doodles + sketches.

What comes up in my mind, ugly or better. I put it in my sketchpad.
