Professional Experience and Curriculum Vitae

"Happy Art for the Young at Heart" - - BettinaBlue Designs

Surface and Textile Designer, Beth Saffer, created BettinaBlue Designs because of her love for painting and whimsy. Initially, her style was vintage and retro, but has moved to combine a modern twist. Her knowledge of Adobe programs allows her to digitize her paintings to create new colorways and repeats out of fine art.

Beth loves custom work, so please don't hesitate to contact her for any of your design needs.
