Professional Experience and Curriculum Vitae

I am Bill Havle of William Havle Fine Art Photography.

The love of my life, after God & Family is Photography. I enjoy being in the outdoors and seeing the image come together before I shoot. Anything to do with water is my favorite but I don't stop there. I also enjoy shooting Old Barns & Tractors as well as Flowers and Landscapes. I hope you enjoy my photography as much as I enjoy bringing them to you.

A little about me personally; I have been married for 33 years, have 3 children all grown up. 4 Grand Children, 2 in their early teens, 1 in kindergarten and a brand new one.
