Professional Experience and Curriculum Vitae

TUOMO JOHANNES LONGI

BORN: October 11th, 1979 in Lappeenranta Finland

SEX: Male

NATIONALITY: Finnish

LANGUAGE SKILLS: Finnish - native, English - fluent, Swedish - basic

COMPUTER SKILLS: Pc / Mac platforms. Photoshop, Freehand, Pagemaker, Indesign, Flash, Dreamweaver, Pagemill, Illustrator, Acrobat, Ftp...

I have been working as a fulltime freelance graphic designer lately. My work has primarily consisted of designing record covers, logos and marketing / promotional materials for old and new artists for different record companies. The Projects usually have been "package deals".

This means that they include most of the promotional material and all album & single covers.

I have been art directing most of the projects I have been involved with, and when needed, organised outside freelancer help. In addition I have been working with many smaller businesses at the same time. I think it is safe to say that I have developed a good skills in scheduling my work and juggling between different projects in tight schedules and demanding customers.

WORK

In here I will list my primary work experience. I have been working with many different projects on culture field and in order to keep my resume as short as possible I decided not to list all "minor" projects, just the ones I feel necessary.
