## Professional Experience and Curriculum Vitae

Hi All,

My name is Clint Adam Smyth, I run Big City Studio is a Photo and Video production company based in Toronto, Canada. We are a boutique style production company that creates commercials, music videos and corporate videos both for web and television as well as still photography. With over 29 years in the photo/video market we have experience working with a variety of clients including corporate, music, fine arts and fashion. They can create video and/or photography for almost any project size or budget.
