Professional Experience and Curriculum Vitae

"Corey Lesh finds beauty in objects that might seem ordinary. He will often discover a little something that is not apparent at first glance. Corey's images distill the essence of his subject. His studio produces images that are contemplative, and yes, beautiful, but they are more than that. His work is at once elemental, sensual, and real". Anne Telford, Editor At Large, Communication Arts Magazine.

Previous Clientele

Adobe, Banana Republic, Bare Escentuals, Gap, Mighty Leaf, Pottery Barn, Simon & Schuster, Timbuk2, West Elm, Williams-Sonoma.
