Professional Experience and Curriculum Vitae

I am very fortunate in that my work takes me all over the world shooting in some wonderful locations with great people.

Much of my work is location based with a strong emphasis on landscape, people and cars. Recent clients include VisitBritain and the 2012 Olympics, LandRover and Barclays Bank. Personal work takes me regularly back to Scotland where I am working on a series of landscapes and portraits in the Highlands and islands and where I escape sometimes to play a bit of golf (very badly) on the original and unique links courses around the coast.

I am represented in the UK by Jo Clark +44 (0)20 7267 7267 www.joclark.com

In addition to my advertising work I have always photographed for books, travel and editorial clients. Over the past few years I have been working on the highly acclaimed '52 Weekends...' series of books with writer Brigid Benson.

Published by Virgin Books, 52 Weekends by the Sea, is a collection of inspirational ideas for great escapes all around Britain and the follow up book '52 Weekends in the Country' was published in July 2012.
