## Professional Experience and Curriculum Vitae

Derek Lee is a principal and owner of PWL Partnership Landscape Architects, a leading Vancouver and Shanghai-based landscape architectural firm specializing in public and private sector planning and design across Canada, the U.S., and internationally.

Derek brings over 15 years of experience to the field of urban design, industrial design and community master planning, having practiced across North America, the Middle East and the UK. He has developed thorough approach to place making, with a particular focus on harmonizing human settlement with ecological function. Locally recognized accomplishments include his lead design direction on the design, master planning and implementation of Southeast False Creek, New Westminster Pier Park, Dockside Green and Granville Street.
