Professional Experience and Curriculum Vitae

I'm a professional freelance website designer and developer with 12+ years experience in the industry. I specialize in designing and developing user-friendly, mobile-ready (responsive website design and development) search engine ready, custom, brand-appropriate, websites for a diverse portfolio of clients.

I am an expert Adobe Creative Suite user: Photoshop, Illustrator, InDesign, Dreamweaver.

I specialize in front-end web development and am an expert coder: HTML5, XHTML, CSS2/CSS3, XML, JavaScript, jQuery, PHP.

I enjoy working with people - clients and peers alike. Friendly, professional and easy to work with, experienced in project management and collaborative efforts. Hit me up for your new exciting project. Available for front-end development, UI design, graphic design for print, PSD to HTML, etc.

Drop me an e-mail and I'll get right back to you...
