## Professional Experience and Curriculum Vitae

I'm an independent art director/graphic designer who specializes in developing, designing and restyling printed media such as magazines and newspapers.

Prior to my career as a designer, I worked in advertising for many years helping brands such as Holland Casino, JVC and Orange, develop and strengthen within a competitive market. Being able to look at brand in a strategic way is a huge plus in my work as a designer today.

## Previous Clientele

Amsterdam International Fashion Week - Frontrow Magazine - Greenpeace International - TNT Post - Grazia Magazine - VIVA Magazine - MediaPartners (Publishing house) - Sanoma Uitgevers (Publishing house) - Dagblad De Pers (A Dutch free, quality newspaper) - Join Magazine - KWF Kankerbestrijding (Dutch Cancer Foundation)...

## Awards and Accolades

Redesign | Kracht Magazine, a magazine of the Dutch Cancer Foundation - February 2010

Redesign | Join Magazine, a Dutch travel magazine - March 2009

Concept and Design | Frontrow Magazine, a magazine I created for the Amsterdam International Fashion Week - December 2009

Art Direction | VIVA Magazine - July 2009 / August 2009. I still work for VIVA on a regular basis.

### Markets soar on news of Copenhagen climate deal

LONDON  
Germany, Denmark and Spain are winners of the sovereign economy

BY JIM NACOS

When the deal to save the climate was announced in the early hours of the morning in Copenhagen, the first news to be reported was in Spain. Markets in the Philippines and Indonesia were up, and the global stock market was up. The global stock market was up.

A complete report that the market "was" rising followed in other markets. "The market was up," said David Wang, market analyst at Citic. "The market was up." The market was up.

### Mass activism just clicks for more people than ever

COPENHAGEN  
Weblogs and networking help thousands to save climate, make change

BY RITA BAUMANN

Over the last six months, hundreds of thousands of people across Europe participated in protests and demonstrations. The protests were designed to draw attention to the climate crisis.

When the deal to save the climate was announced in the early hours of the morning in Copenhagen, the first news to be reported was in Spain. Markets in the Philippines and Indonesia were up, and the global stock market was up.

A complete report that the market "was" rising followed in other markets. "The market was up," said David Wang, market analyst at Citic. "The market was up." The market was up.
