Professional Experience and Curriculum Vitae

Coming from a military family, I've lived in a few places in my life including Illinois, Virginia, and Guam. The one constant throughout my childhood was my love for drawing. I believe the ever-changing landscape of cities and faces bred a curiosity and imagination in me that I carry into my work. I weave characters (typographical) and characters (monstrous) together to create emotionally driven stories.

Previous Clientele

Single Hop, Brown Alumni Magazine, Tajima Creative, Xoopii Heavy Industries, Sympathy For the Unusual, Neff Headwear, Catune Records
