Professional Experience and Curriculum Vitae

Using both traditional media (pencil, watercolor, pastel) and digital processes, I create illustrations and fine art with an affinity for mystery, horror, and the odd. My fine art consists of architectural studies, landscapes, and portraits that focus on the surprising beauty I find in life, which often presents itself in unexpected ways.

Previous Clientele

Bad Moon Books
Cemetery Dance Publications
Crippen & Landru
Dark Regions/Ghost House
Lonely Road Books
Meerkats (CD art/tattoo design)
Random House/Doubleday
Surf Zombies (CD layout/art)
