Professional Experience and Curriculum Vitae

Born in Prato in 1976 I have a Masters degree in Architecture gained at the University of Florence, city where I actually live and work. I'm an illustrator and a comic book artist. In the year 2008 I have realized my first graphic novel, *Sonno Elefante - I muri hanno orecchie*, published in Italy by BeccoGiallo which received the Best Italian Book Award during the Festival del Fumetto e dell'Animazione in Rome - Romics 2008. As an illustrator I currently work for magazines and public and private companies. My illustrations appear regularly on the italian architectural review AND - Rivista di architettura, città, architetti. I am member of the world wide artist community Urban Sketchers.
