Professional Experience and Curriculum Vitae

IDE|Autoworks is a design studio based in Gurgaon that offers design services to the Automotive Industry (OEMs and After-Market). Founded in August 2013 by two automotive designers, IDE has worked a range of projects including OEM special editions, vehicle graphics/liveries, full car wraps, corporate vehicle branding, etc.

A team of young and hard-working designers with core automotive industry experience, we strive to offer unique and innovative design solutions coupled with professional service standards.

We work closely with our clients to fully understand their needs and conceptualize designs accordingly. Our team not only provides creative design solutions but also helps the client understand the design's final outcome on different mediums and application surfaces. This helps in developing products as per the client's specifications in the most effective way.
