## Professional Experience and Curriculum Vitae

Most of our travel work is created with editorial use in mind. Much is used with travel stories; many are created for travel business brochures and advertisements; a few are printed as art. We're an economical and efficient alternative to using full-time staff to prepare travel articles.

## Previous Clientele

Newspaper editors in all 50 U.S. states, and several in other nations. Magazine editors, travel agencies, and collectors of photographic art.

## Awards and Accolades

Over 70 years of photographic experience; professional since 1976. Our photos have been published in hundreds of different media. You may learn more by visiting our Web site ([www.have-eye.com](http://www.have-eye.com)).

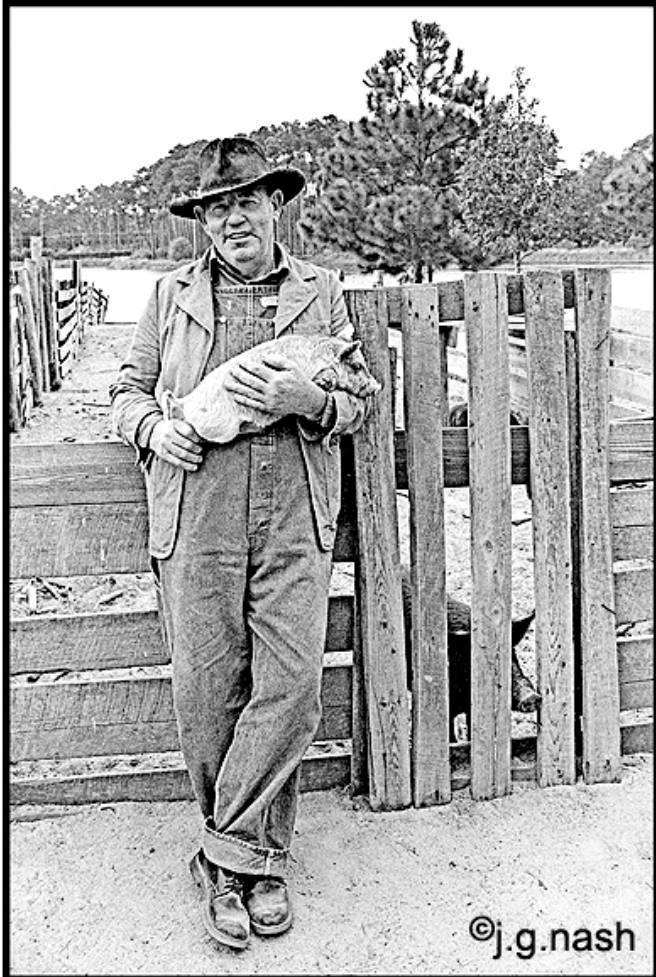

## Awards and Accolades

Numerous trophies for honors in photographic contests. First among 250,000 entries in contest run by Parade magazine, Scores of letters from publishers and editors lauding our work.
