Professional Experience and Curriculum Vitae

Justin Snyder worked with Twentieth Century FOX as a film editor, supervisor of design, field producer and press Junket Director for 8 years.

In my design work I feel I bring a much needed creative and artist eye to match my technical skills. I am a new media designer and take pride in each new project I take on.

Im a film editor with over 9 years of professional film editing experience working on major motion pictures. including but not limited to working with EPK's, Trailers, Profiles, Sizzle Reels, B-Roll, DVD VAM: Featurettes, Overviews, Outtakes, also have on set experience with Producing Field/B-Roll Crews on Film Sets, Commentary Sessions at Sound Studios and Directing Press Junkets in Los Angeles and New York.
