Professional Experience and Curriculum Vitae

Angelica Angeles is a Junior Creative trying to pave her way into the Advertising Industry. An international student at a young age, she has studied in Saudi Arabia, Philippines and the UK. Surrounded by different types of people, she has gained an understanding of different cultures. Her passion grew for all things creative while studying Art and decided to embark a career in one of the most creative industries. Gaining a degree in Advertising Design, she has worked with Manchester based agency BJL and has experience working on live briefs.

Previous Clientele

BJL, King Faisal Specialist Hospital & Research Centre
