### Professional Experience and Curriculum Vitae

Mumtaz Jafri was born in 1970 in Goes (the Netherlands). Studied at the Academy for Performing Arts in Amsterdam. Graduated with honours in 1995 and toured the Netherlands for 3 years with his one-man show. In November 1998 he moved to South Wales and ran a smallholding where he bred rare breed poultry, Golden Guernsey goats, dogs, sheep and horses.
In 2005 he returned to Amsterdam to record a CD and shortly after that moved to New York to attend a private computer course where he learned to work with cinema 4D.
Throughout his life Mumtaz has always drawn and created images and objects, whether it be on paper or on a computer.
These days Jafri lives in Cardiff (south Wales UK) and works as a free lance Graphic designer/Illustrator/Artist.
