Professional Experience and Curriculum Vitae

I love to tell stories through photography.

Some days, I tell stories through portrait photography. Other days it is through lifestyle photography for small businesses.

Either way, I love what I do!

What inspires me?

Beauty in all it's forms. The love between two people. Laughter. Kindness. Travel. Exquisite craftsmanship. Flowers. Music. Family and friends crowded around a table for a meal. Beautiful design. A good book. And so many other things...
