

Professional Experience and Curriculum Vitae

In a never ending quest to make good content, ohzemesmo is a brazilian designer, illustrator, poet and videomaker that loves art, movies, music, videogames, nerd stuff, eat junky food and illustrate everything that comes in his head.

Colored geometric shapes, typography and one foot in retro. This mixture is present in every work of José Guilherme Machado, A.K.A. OHZEMESMO. His illustrations bring an eighties nostalgia, from those who're childs in that decade. His creations merge art references from multiple universes, involving music, movies and video games.

Fergs Heinzelmann - The Creators Project

Jose Guilherme aka OHZEMESMO has a varied portfolio with works that blend different digital techniques full of references to constructivism and seventies design. Jose Guilherme builds scenarios based on futuristic movie references and pop culture lead to a good plastic result and finish.

urbanik.com.br

The minimalism from the 60's, the vibrance from the 70's and the pop references of the 80's are present in his creation, flirting with futurism and construtivism in an aesthetics that's is clean and loaded with meaning at the same time.
