## Professional Experience and Curriculum Vitae

Remco Vroom (born 23 September, 1973) is co-founder and CEO of TAB Worldmedia. Vroom also previously served as a commercial and strategic director at advertising agencies Euro RSCG, Grey Worldwide, TBWA\ and Young & Rubicam. Vroom lead several brands to commercial success and he received numerous awards for his work.

In the year 2010 Vroom decided to take commercial communication to the next level with mobile augmented reality and he founded TAB Worldmedia together with his business partner Johannes la Poutré. His new found company is the first full service mobile innovation agency specialized in augmented reality content development. TAB Worldmedia helps international brands get insight and knowledge in how to use this powerful personal marketing tool. TAB Worldmedia has contracted a long list of premium brands and is now one of the leading companies for mobile augmented reality content productions in the World.
