Professional Experience and Curriculum Vitae

Hi, I am Lasantha Chathuranga, the founder of 'exclusive Designer'. I am an expert level designer with two years experience under my belt as a graphic designer. Design is not just my hobby... it's my passion... it has always been a huge part of my life.

I am a well-rounded, imaginative and meticulous individual practicing across a wide range of disciplines. Design sensory invests deeply in all my work and I fearlessly push the boundaries of my expertise in support of your goals.

I am currently a freelance graphic designer, specialised in corporate identity (logo) design, print design and branding. With good taste and great technology I design compelling visuals for organisations of all shapes and sizes.

I spend a major part of my time designing and implementing marketing promotions for a diverse range of businesses to suite their needs such as; logos, brochures, letterhead, business cards etc. which you could view in my profile.
