Professional Experience and Curriculum Vitae

Kate Scheible is recognized by clients and the design industry for her creativity and the superior quality of her work for more than 13 years. As principal of Kate Scheible Graphic Design, LLC, which was founded in 2006, she has developed an extensive portfolio of work for an ever growing clientele who recognize her ability to develop and execute strong conceptual designs for print and web from creation through completion. Attention to detail and creative use of typography are her specialties. She provides clients with visual communication solutions which generate excitement and gain positive attention from the intended audience. As a result, Kate maintains a diverse range of recurring clients in the publishing, corporate, marketing, multi-media and not-for-profit industries.
