## Fonts & Lettering Schriften und Schriftzüge

since 1993

### some typedesign basics ein paar Grundlagen zur Schrift

1. horizontal lines appear thicker than vertical ones

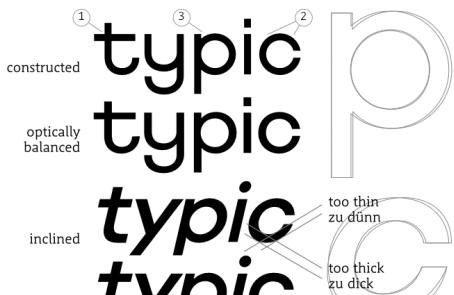

2. constructed circles appear thicker and thinner according to the nib

3. if lines meet, clumps occur

1. horizontale linien wirken dicker als vertikale

2. konstruierte Kreise wirken entsprechend der Schreibfeder dicker und dünner

3. treffen Linien aufeinander, entstehen Verklumpungen

by inclining letters deformations occur,  
below optically balanced  
durch Schräglistung entstehen Deformationen,  
unter optisch korrigiert

curves make the style of a Sans Serif, which is becoming more and more open and simplified here  
Rundungen bilden den Stil einer Grotesk, welche hier immer mehr vereinfacht und offener wird
