Professional Experience and Curriculum Vitae

Thamer Al-Hassan is a Saudi photographer based in Riyadh he fell in love in the beauty of photography ever since he was young. He pursued his journey to the art of photography since 2009 and started to develop his own creative style for his collection of Photo Art.

Thamer likes photographing different genres including Architecture in all its facets. The dynamic changes in architecture in Riyadh inspired him and got his attention to sense the identity of buildings. Architecture photography taught him to love design, materials, structures, details, and process so he learned to capture the dramatic feeling of the entire space, his interest in place, form and graphic structure informs in his photographic work.
