## Professional Experience and Curriculum Vitae

I hold a BFA degree, but primarily help build authentic online brands & applications for start ups & non-profits. I possess an innate ability to distill information into effective & compelling interactive solutions that move people into action. Social Media Branding, Facebook Fanpage strategy, and Logo design are my strengths. I pride myself on working well with many different personalities, and thrive in a collaborative team environment.

## Previous Clientele

My partial client list includes many high-profile fortune 1000 firms including: Intuit, Cisco, GE, Hewlett-Packard, Verizon, Variety Magazine, Nestlé, The Waitt Family Foundation, Monsanto, Microsoft, Clarion, Profile Tree, and Gateway.
