Professional Experience and Curriculum Vitae

I'm Jack, a motivated Product Design Engineering Undergraduate at Brunel University in London, with a pragmatic approach to design and interest in Human Factors and Mechanics.

I am always interested in getting involved in new projects and am currently looking for an internship.

Previous Clientele

I have experience on briefs with companies such as:

- Marks and Spencers
- BPMA
- RCL Lighting
- Mothercare
- Habitat for Humanity
- Solecreator
- Building Trust International
- St Mungos
- EPSRC

Awards and Accolades
